

~~Welcome to Grade 3~~ - 2019 - 2020

Grade three will be filled with many wonderful learning opportunities! In order to be ready for third grade, we ask that you try to read, write, and practice math throughout the summer. You can keep a journal and write about your daily activities or go for a walk and document the flowers, neighbors, and sights you see. In math, practice addition and subtraction with facts/flashcards, with the websites below, or through real life applications such as math in recipes, telling time, and math at the grocery store. Finally, please read as much as you can over the summer. Below you will find a list of recommended books, but remember to read as much as you can! What's best is what interests you. Please email Ms. Sullo with any questions.

Summer Reading and Math Websites for Students Entering Grade 3 2019-2020

Suggested Books: (You MUST read 2 on this list. A follow up assignment will be given in September.)

1. *Freckle Juice* by Judy Blume
2. *The Hundred Dresses* by Eleanor Estes
3. Any of *The Magic Tree House Series* by Mary Pope Osborne
4. Any of *The Cam Jansen Series* by David Adler
5. *Little Dreamers: Visionary Women Around The World* by Vashti Harrison
6. Any NON-FICTION book, Guided Reading Levels L or M. If unsure about GR Level, you can either ask a librarian, check on Google, or email Ms. Sullo over the summer. nsullo@stjosephschoolmedford.com

1. www.Xtramath.org
2. www.mathplayground.com
3. www.splashmath.com

Any questions over the summer, email Ms. Sullo.
nsullo@stjosephschoolmedford.com

Also, please remember to work on tying your shoes over summer break!
