

SJS SUMMER SPORTS PROGRAM

The summer sports program at Saint Joseph School is designed to provide older children with a fun opportunity to get out during the summer, have an opportunity to explore different sports, learn some skills and drills and make some new friends! It is being offered to students in grades 2-8 (rising 1st graders entering grade 2).

The program will run from Monday, June 26 through Friday, August 11 from 8:00am to 2:30pm. There will be two sessions each day. The first session will be from 8:00am-11:30am and the second session will be from 11:30am-2:30 pm. You can sign up for morning sessions, afternoon sessions or you can come for both sessions. You will have your choice of attending 5 days or 3 days each week.

** Please note the program will be closed on July 3rd and 4th.

** Campers must be picked up by 2:30pm daily.

If your camper is attending only one session per day, then parents are responsible for providing one (1) daily snack, and a water bottle.

If your camper is attending both sessions per day, then parents are responsible for providing two (2) daily snacks, lunch, a water bottle/drinks.

The goals of our summer sports program are:

- To introduce campers to several different sports.
- To enable children to participate in physical activities and to encourage them to be outside and active.
- To offer a quality recreational program that will allow campers to participate in drills, learn skills, scrimmage, and learn the rules of each sport they play.

Safety:

No student will be allowed to leave the program until a parent, guardian or registered pickup person signs the student out with a member of the staff. Parties should be prepared to present photo ID if requested.

Discipline:

Each student is expected to behave in the same manner as during the regular school year. Our summer sports program will follow the same rules and procedures that are found in the Saint Joseph School Parent/Student Handbook. Students are expected to always be respectful to the staff and other students. They are also expected to respect all school property and to abide by school rules and policies.
