

SCIENCE SUMMER READING GRADES 6-8

Learning about the lives of scientists can be inspiring and informative. Read a biography of any famous scientist. You may choose a scientist from the list below or research another. Then, draw a picture of your scientist. Be imaginative and colorful!

- *Albert Einstein*
- *Isaac Newton*
- *Marie Curie*
- *Charles Darwin*
- *Galileo Galilei*
- *Stephen Hawking*
- *Nikola Tesla*
