

## SAINT JOSEPH SCHOOL SUMMER PROGRAM

The summer program at Saint Joseph School is designed to provide children with an experience that is both fun and educational. It is offered to parents seeking structure and supervision for their children during the summer vacation months, and it is open to all children from preschool through grade 4.

### Important notes:

- The program will run from Monday, June 23th through Friday, August 8th from 8:00 am to 2:00 pm.
- The program will be closed on July 3rd and 4th for the Independence Day holiday
- Children must be dropped off by 8:00 am. Since this program offers structured, educational fun and is not daycare, it is important that your child arrives promptly in order to not interrupt the programming that is session for a given day.
- Children must be picked up by 2:00 pm daily. There is an additional charge assessed for children who are picked up late. The Extended Day Program will run from 2:00pm-4:30 pm. (Unless children are attending extended day, then late fees would be charged only after 4:30 pm.)
- Parents are responsible for providing one (1) daily snack, lunch and drinks.
- Since morning activities often include playing in the sprinklers on warm days, please send your child to school wearing a tank top/shorts.

The summer program will consist of weekly sessions, and each week will be based on an educational and fun theme. During each week the children will participate in crafts, physical activities and learning activities all based on the theme of the week. These activities are designed to encourage the development of the entire range of your child's emerging skills: socially, emotionally, physically, academically and artistically. We achieve this through play, imagination and exploration- indoors and outdoors-in both large and small groups.

The goals of our summer program are:

- To help to make learning a year-round experience by providing a program that is both educational and recreational.
- To enable children to experience learning and recreation together in ways that will promote positive self-esteem, socio-emotional learning, and problem solving.
- To offer an excellent educational, recreational, and cultural experience that is consistent with the goals, objectives and mission of Saint Joseph School.

### Safety:

No student will be allowed to leave the program until a parent, guardian, or registered pickup person signs the student out with a member of the staff. Parties should be prepared to present photo ID if requested.

### Discipline:

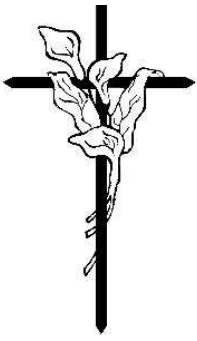

Each student is expected to behave in the same respectful manner as during the regular school year. Our summer Program will follow the same rules and procedures that are found in the St. Joseph School Parent/Student Handbook. Students are expected to always be respectful to the staff and other students. They are also expected to respect all school property and to abide by school rules and policies.

<b>Week 7</b>	<b>Week of August 5-August 9</b>	<b>Fairy Tales New and Old</b>

What you will need:

- Updated health form from your pediatrician (your child cannot attend this program without one)
- Epi-pen/inhaler if needed with a doctor's note (if your child has a medical condition, please disclose on the form below so that we can ascertain if we can support him/her)
- Lunch with an ice pack if perishable
- A morning snack and an EDP snack (if attending)
- Refillable water bottle (labeled with child's name)
- Sunscreen
- Hat
- A change of clothes and underwear
- Small towel, a beach or bath (large) towel, and a tank top/short set (we find that it is difficult for younger students to figure out the ties and bands on swimsuits, so for both boys and girls, pull-on shorts and tank tops are easiest)
- Preschoolers must bring their own rest mat.

**All items should be clearly labeled with your child's name on them.**
